## Promoting literacy across New York State 2023

"I have a dream that my four children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character."

— Dr. Martin Luther King, Jr.

Participants are asked to collect new books for children from pre-k to high school. Books on science, technology, engineering, arts, and math (STEAM) are encouraged.

All donations will be distributed to children in New York State Schools throughout the Albany, Buffalo, and New York City Regions:

**February 20 through April 21**
